Sección 1: Introducción

Este directorio proporciona una lista de los proveedores de la red de FHCP Medicare Rx, FHCP Medicare Rx Plus, FHCP Medicare Rx Savings, FHCP Medicare Premier Plus, FHCP Medicare Premier Advantage y FHCP Medicare Flagler Advantage.

Tendrá que elegir uno de los proveedores de la red que aparecen en este directorio para que sea su proveedor de atención primaria (**P**rietary **C**are **P**rovider, PCP). Por lo general, debe recibir sus servicios de salud de su PCP. Los médicos de medicina familiar, medicina interna, medicina general y pediatría prestan servicios como PCP para los miembros de FHCP Medicare.

Deberá obtener una derivación de su médico de atención primaria para consultar a la mayoría de los proveedores especializados que figuran en este directorio. Sin embargo, hay ciertos especialistas y servicios incluidos en el directorio dentro de la categoría de “Acceso directo” que no requieren una derivación de su PCP. También hay ciertos servicios a los que puede acceder sin una derivación de su PCP. Los proveedores de estos servicios también están incluidos en la sección “Acceso directo” del directorio.

FHCP mantiene estándares escritos para la puntualidad del acceso a la atención (es decir, tiempos de espera de las citas) que cumplen con los estándares de los CMS. Los estándares escritos de FHCP sobre los tiempos de espera de las citas para atención primaria y servicios de salud conductual son los siguientes:

- servicios urgentemente necesarios o emergencias: atención inmediata;
- servicios que no sean urgentes o de emergencia, pero que el miembro requiera atención médica: en un plazo de 7 días hábiles; y
- atención preventiva y de rutina: en un plazo de 30 días hábiles.

Los proveedores de la red incluidos en este directorio han acordado brindarle servicios de salud. Puede acudir a cualquiera de los proveedores de la red que aparecen en este directorio. Sin embargo, para algunos servicios tal vez necesite una derivación.

Si ha estado visitando a un proveedor de la red, no tiene la obligación de seguir visitando a ese mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores fuera de la red. Por ejemplo, si necesita recibir atención o un servicio de especialidad que no puede ser prestado por un proveedor de la red de FHCP Medicare, FHCP Medicare deberá hacer los arreglos necesarios para que usted sea atendido por un proveedor que no forme parte de nuestra red. Además, la atención de emergencia o urgencia dentro o fuera de nuestra área de servicio puede ser proporcionada por proveedores que no están en nuestra red. Si tiene dudas sobre si pagaremos algún servicio o atención médica que usted esté considerando recibir, tiene derecho a preguntarnos si lo cubriremos antes de recibir dicho servicio o atención.

FHCP Medicare Rx Plus POS incluye un beneficio con punto de servicio (Point of Service, POS) opcional. El beneficio con POS es de “Acceso abierto”, lo que significa que no necesita una derivación para consultar a un especialista fuera de la red. En el punto de servicio, los miembros de este plan pueden optar por utilizar un proveedor participante o no participante de FHCP para recibir atención fuera de la red, siempre y cuando el proveedor sea elegible para participar en Medicare.

Si recibe una factura de un proveedor que no pertenece al plan, no la pague. Debe enviar la factura al Departamento de Reclamaciones para su procesamiento a la dirección que se indica a continuación:

FHCP Medicare
Atención: Claims Department
P.O. Box 10348
Daytona Beach, FL 32120-0348

La atención de emergencia y los servicios posteriores a la estabilización siempre se pueden obtener dentro o fuera del área de servicio del proveedor disponible más cercano. No es necesario que obtenga atención de emergencia o posterior a la estabilización de un proveedor de la red de FHCP Medicare. Cuando se encuentre dentro del área de servicio, debe utilizar los servicios de proveedores del plan para recibir atención de urgencia. Cuando esté fuera del área de servicio, se puede recibir atención de urgencia del primer proveedor disponible.

Además, cuando se encuentre fuera del área de servicio, puede recibir tratamiento de diálisis de cualquier proveedor de diálisis autorizado. Nuestros servicios de emergencia y posteriores a la estabilización se pueden obtener en cualquier hospital, centro de atención de urgencia o consultorio médico. En este directorio figuran los hospitales de nuestra red que brindan servicios de emergencia dentro de nuestra área de servicio.

Es importante que comprenda que, a menos que esté inscrito en FHCP Medicare Rx Plus POS, si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni FHCP Medicare serán responsables de los costos. Si está inscrito en FHCP Medicare Rx Plus POS, excepto en emergencias o para recibir atención de urgencia, es posible que los costos por recibir atención de proveedores fuera de la red sean más altos.

Debe usar proveedores de la red, excepto en situaciones de emergencia, para recibir atención de urgencia o para recibir diálisis renal u otros servicios fuera del área de servicio. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni FHCP Medicare serán responsables de los costos.

Contract Facilities

Contracted Hospital & Emergency Facilities (23)

"Emergency Medical Condition" is defined as a condition manifesting itself by acute symptoms of sufficient severity (including severe pain), such that a prudent layperson, with an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in serious jeopardy to the health of the individual (or in the case of a pregnant woman, the health of the woman or her unborn child), impairment of bodily functions, or dysfunction of any bodily organ or part. FHCP contracts with the listed hospital and emergency facilities, however, for those members requiring emergency services where the time to reach a FHCP contracted facility would mean the risk of jeopardizing the member's health, the member should seek medical care and treatment at the nearest appropriate facility or hospital even if FHCP does not contract with same.

FHCP contracts with the following hospitals for inpatient, outpatient and twenty-four (24) hour emergency services.

Cómo construimos nuestras redes

Redes de proveedores

Las redes de proveedores de FHCP Medicare incluyen hospitales, médicos de cabecera, especialistas, centros de atención de urgencias, centros de diagnóstico por imágenes, laboratorios, agencias para el cuidado de la salud en el hogar y muchos otros proveedores de servicios y atención médica. Nuestros directorios, tanto en línea como impresos, son recursos importantes para ayudarle a encontrar cualquier tipo de proveedor de atención médica que forme parte de su plan FHCP Medicare específico.

FHCP Medicare considera una serie de factores al seleccionar proveedores para que participen en nuestras redes:

Disponibilidad del proveedor

FHCP Medicare trabaja para garantizar que tengamos la cantidad correcta de proveedores de atención médica de la red en las ubicaciones adecuadas para nuestros miembros. FHCP Medicare controla su red de manera continua durante todo el año para garantizar su adecuación. Se realizan esfuerzos especiales al menos una vez al año para revisar las redes al observar la ubicación de nuestros proveedores de atención médica de la red en comparación con el lugar donde viven nuestros miembros. También analizamos la cantidad de proveedores de atención médica en comparación con la cantidad de miembros para asegurarnos de tener suficientes proveedores disponibles. En esta revisión se incluyen médicos de cabecera, hospitales, centros de atención de urgencias y los especialistas más habituales, que incluye a los especialistas en salud conductual.

Acceso al proveedor

FHCP Medicare también cumple con los estándares y las pautas para el acceso a la atención que emiten los Centros para Servicios de Medicare y Medicaid (Centers for Medicare & Medicaid Service, CMS) relacionados con las redes de proveedores de atención médica. Los estándares se relacionan con la puntualidad de las citas y otros factores. Además de monitorear las quejas de los miembros con respecto al acceso a los proveedores, FHCP también revisa el acceso a los médicos de cabecera y a los especialistas en salud conductual anualmente. Si consideramos que los miembros no tienen acceso adecuado a los proveedores de atención médica para satisfacer sus necesidades de manera oportuna, trabajamos para agregar más proveedores a la red. Los médicos y otros profesionales de la salud seleccionados para la red de FHCP Medicare pasan por un proceso de acreditación exhaustivo. El proceso de acreditación es una manera de verificar las calificaciones de los médicos y otros proveedores de atención médica. El proceso incluye la verificación de la educación y la capacitación, la licencia, la certificación profesional, el historial de reclamaciones por mala praxis y otros antecedentes que se relacionan a la especialidad de un proveedor. Los médicos son reevaluados al menos cada tres años. Los proveedores de nuestro Directorio de FHCP Medicare también deben ser participantes de Medicare con buena reputación.

Calidad

FHCP Medicare puede considerar otras métricas de eficiencia, efectividad y resultados cuando haya suficiente información disponible. Por ejemplo, cómo se desempeñan los médicos de cabecera en las métricas reconocidas a nivel nacional, como los estándares de datos e información de la eficacia de la atención médica (Health Effectiveness Data and Information Set, HEDIS) y si los pacientes reciben evaluaciones de salud adecuadas para el cáncer de mama, cáncer colorrectal, cáncer de cuello uterino, etc. FHCP actualmente no utiliza ninguna medida de calidad que no sea los estándares de acreditación para evaluar los hospitales que participan en nuestras redes.

Costo

Para ser parte de la red de FHCP Medicare, los proveedores de atención médica y los hospitales deben estar dispuestos a aceptar una tarifa negociada. En algunos casos, FHCP busca proveedores de atención médica que estén dispuestos a aceptar acuerdos de reembolso que los recompensen por cumplir con ciertos estándares de desempeño o métricas de resultados para sus pacientes. FHCP actualmente no utiliza ninguna medida de costos que no sea la situación contractual para evaluar los hospitales que participan en nuestras redes.

Experiencia del paciente

FHCP Medicare prioriza la contratación de médicos que tengan privilegios de admisión en los hospitales de nuestra red participante. Esto significa que el médico está relacionado con el hospital y se le permite admitir pacientes en ese lugar. Esto ayuda a los miembros a asistir a un hospital que está en su red cuando necesitan hospitalización. Si acude a un hospital para atención que no sea de emergencia o urgencia y que no pertenece a la red de FHCP Medicare, es posible que paguemos menos o que no paguemos por los servicios que reciba. FHCP también tiene en cuenta las quejas recibidas de los miembros sobre médicos, hospitales y otros proveedores de atención médica específicos cuando decide si continúa el contrato de un proveedor con nuestra red.

La cobertura de salud se ofrece a través de Florida Blue Medicare, Inc., un licenciatario independiente de Blue Cross and Blue Shield Association, cuyo nombre comercial es FHCP Medicare.
