

**ADDENDUM to your FHCP Medicare 2023 Annual Notice of Changes (ANOC), Evidence of Coverage (EOC) and Summary of Benefits (SB) documents**

Dear Member,

As a FHCP Medicare member, we want to keep you informed about important changes to your Medicare Advantage plan that become effective during the year.

**Due to the Inflation Reduction Act (IRA), there have been additional benefit changes effective later this year. The information below may or may not apply to you, but we are required to notify you of these changes.**

**Benefit Changes and Effective Date**

<b>Benefit</b>	<b>Effective Date</b>	<b>Benefit Changes</b>	<b>What does this mean for you?</b>
Medicare Part B Prescription Drugs	April 1, 2023	The cost-sharing for certain Medicare Part B Prescription Drugs may be subject to a <b>lower coinsurance</b> than what is listed in your member documents.	The cost-sharing for certain Part B drugs could cost less.
Part B Insulin through an item of durable medical equipment (i.e., a medically necessary traditional insulin pump)	July 1, 2023	The cost-sharing for a one-month supply of this insulin would be no more than \$35. If the plan has a deductible, it would not apply to this insulin.	If you're diabetic and on an insulin pump, the cost of the insulin used through the pump would be no more than \$35 for a one-month's supply.

You might not be utilizing these benefits, but as our member, we want to keep you informed any time there are changes to your plan benefits. Please keep this letter with your member documents and if you have any questions about your plan benefits, you can call the phone number on the back of your member ID card.
